# PREempt™ HLD5 USE & TESTING RESULTS LOG

**PREempt HLD5 is good for reuse in a soaking tray for up to 14 days.**

**Test HLD5 solution for efficacy on day 7 of use and whenever there is visible debris in the soaker.**

**ONLY use AHP2 Indicator Test Strips to test HLD5. Record the date of testing and the test results in the "Debris Test Date & Result" column.**

**Please include your initials when entering dates.**
