PRO SKINCARE

Elevated skincare at your service.

I N T R O D U C I N G

CND™ P R O SKINCARE

A professional range of skincare-inspired SPA products, co-developed with skin care experts and nail professionals. Our NEW CND™ PRO SKINCARE collection is formulated with natural origin Prebiotic Complex, which helps to strengthen the skin's natural defenses. The formulas also contain a blend of natural origin ingredients, such as hydrating Avocado Oil, revitalizing Vitamin E, and nourishing Shea Butter. The application of the whole CND™ PRO SKINCARE regimen will pamper and enrich your clients, leaving them with younger, healthier looking skin during & after each mani-pedi service.
